

**Joel Friedman**  
**Current Board Member and Treasurer**  
**Region B**

I currently represent District B on the GGPNC Board. Not only a standing Board Member, I was also elected by my peers on the board to take the role of Treasurer and participant on the Executive Committee. I am seeking re-election to a second term as I would very much like to continue this position within the Board for another two years. I have thoroughly enjoyed my time on the Board and am very confident that we as an organization have made (and will continue to make) a profound and lasting impact on our community. Though the GGPNC as a public entity is quite new (only 4 years old now), I have seen that the Neighborhood Councils are indeed a visible (and sometimes formidable) voice of the people and continue to get stronger as they mature.

I have owned and lived in Los Feliz, on New Hampshire Ave., with my wife Tanya and two daughters Maxine and Jackson for the last 3 ½ years. My children both attend the Lycee International de Los Angeles (LILA) School on Russell and spend countless hours on the playgrounds and tennis courts of Griffith Park. Though we are relatively new to Los Feliz, we are firmly grounded here and I already consider this the place where my family will stay and my children grow up. As a stakeholder and resident, its very comforting to know that we as a community have a platform to ensure that our opinions are not only heard but represented and acted upon. And of equal importance, it gives me pride that I can represent my neighbors in this position.

I sincerely appreciate you support and look forward to supporting you again for another term.

Sincerely

Joel Friedman
