*The Greater Griffith Park Neighborhood Council Board supports (a) an interim moratorium ordinance on digital billboards, (b) prompt removal of all billboards constructed or modified without permits, (c) prompt notice to neighborhood councils of any ordinance regarding billboards or any request to install a digital billboard in their area along with adequate time to study and comment, (d) the City Planning Commission's motion to study the safety hazards resulting from billboards, and (e) resubmitting 2007 GGPNC Report—which identifies each billboard in its area—to be used soon by Building/Safety Department to update its databases and identify illegal billboards.*

This statement was given consensus approval by a quorum of the Greater Griffith Park Neighborhood Council Board on November 18, 2008. This action was based on the unanimous recommendation of the ten members of its Planning, Zoning, and Historic Preservation Committee on November 12, 2008.
