

PROS Committee Meeting Minutes
Monday, October 4, 2010
Location: Greek Theatre, Green Room
Time: 7:00 – 9:00 p.m.

Call To Order and Introductions

Bobcat Research in Griffith Park and SMMR.

Guest speaker, Laurel Klein, Ph.D. candidate, UCLA Dept of Ecology and Evolutionary Biology Discussion of Bobcat study in Griffith Park and presentation of bobcats with mange. Traps being set & bobcats tagged & blood drawn for mange study.

Captain's Roost Renovations.

Guest speaker Craig Raines, Landscape Design
Discussion of proposed schematic plan; Native Plants usage; aesthetic design.

Oct Hayride Event:

Discussion for the use of \$80,000 held by LA Parks Foundation to be used for Griffith Park purposes. Ideas of Signage to deal with off-leash dogs; trail-signs; fragile environment & Stay on Trail signs as possibilities, FernDell and other HC projects. Sub-com to write letter to Vickie Israel.

Announcement of Paws and Trail Hike

Jennifer Bailey, Meredith LaBonge
Annual hike for their non-profit organization; all dogs on leash

Bicycle Master Plan Workshops

Discussion on talking points and encouragement of all to make public comments. We support 99% of Bike plan as a Transportation plan for road bikers. Mountain Bike element does not belong in Bike Master Plan Transportation document; it is a recreational issue and not a transportation issue.

PROS Chair Outreach for Candidates:

Encourage qualified and interested individuals to apply for Chair.
