Hearing: June 21, 2010

Dear Administrator Green,

At the regular meeting of the Governing Board on June 15, 2010, the Greater Griffith Park Neighborhood Council (GGPNC) debated its position on the application referenced above.

The debate focused primarily on the proposed hours of operation for the outdoor patio and concerns about noise and the conduct of patrons that were raised by the local residents.

The board voted, by consensus, to recommend opposition to the application.

Thank you for taking our recommendation into consideration.

Very truly yours,

Ron Ostrow  
President, Greater Griffith Park Neighborhood Council
