"Imagine:"

A truly **walkable community**, where more pedestrian and bicycle space make driving your car here more trouble than it's worth.

Local families assured their children are getting a **quality public education** from **Kindergarten through 12th Grade**. All from neighborhood schools **within walking distance of one another**.

Free **Internet access for anyone patronizing our local businesses**. Plus, ample parking for visitors who'll come to hang out in Los Feliz. Because.

What Greenwich Village is to New York, we *are* to Los Angeles, **but we can be even more**. "You may say I'm a dreamer," but **all these possibilities are within our reach**.

I want to help us **get us there**.

I'm passionate about these things, however **nine other candidates also speak to issues important to me**. We support these ideas, so as a group, you know where we stand.

I'm **Harpreet MALHI**. I live here.

LOS FELIZ FORWARD

I DECLARE UNDER PENALTY OF PERJURY THAT THE ABOVE STATEMENTS ARE TRUE AND CORRECT:
